

# Our Theme for Pioneer Parade **NOV 2:**

## WOODSTOCK + 50

We want to make this colorful & fun and still get our views across gently. Remember this is not a protest but a community event, audience is mostly children/families.

You can wear your Indivisible Shirt &/or dress in 1960's Woodstock/ hippie style (no nudity!). For those not around then or those that can't remember...

tie dye / paisley /flower prints

pop art / bold color block

fringed vests or anything fringed/ protest pins/buttons

bell bottoms /decorated jeans / cut offs

long hair / afro/ headbands/ beads/ flowers/feathers

flow-y dresses, dashiki shirts and mini skirts (yikes! use discretion if you were wearing them in 1960's)

Carry positive signs only (no direct trump reference) Use your creativity or check our suggestions. We may get rude comments from audience /hecklers **DO NOT ENGAGE**. Respond only with smiles, peace sign or wave.

Be at holding area **Saturday, Nov 2nd by 3:30 pm.**

Water/ drinks available from trailer(float) About 8 -10 people can fit on trailer, but you can't get on & off during parade. Trailer will stop after end of parade load up to return to holding area. It can be a long walk, pace yourself, hydrate, wear comfy shoes and sunscreen! Peace, Love & Unity.
